Mr. Dulles:

Mr. Whitney Shepardson stopped by and left the attached with the following comment to be passed on to you:

"I had long tried to give him my best advice as to how he could take care of himself, but I had not had much success.

"I myself had taken to heart the advice given by that marvelous major league pitcher, Satchel Paige, who (it is said) last pitched a major league ball game at the age of 54.

"The Director's attention is invited to same, and I hope he will be governed accordingly."
